*October 23-25, 2020*

*Camp Jim Stephens  
Newnan, Georgia*

August 5, 2020

Dear Unit Leader,

On behalf of the Coweta District and the Flint River Council, we cordially invite you to attend the 2020 Coweta District Fall Camporee to be held on the weekend of October 23-25, 2020, at historic Camp Jim Stephens just west of Newnan in Coweta County.

The theme for this year's Camporee is Archaeology. Most of the activities and competitions will be centered on this theme, and all Scouts BSA youth will have the opportunity to earn the Archaeology merit badge.

Archaeology is one of the Scouting's most unique merit badges, and this camporee is planned under the supervision of an Archaeologist. Our 2020 Camporee will be RICH with opportunities to LEARN and COMPETE in several different events around the Archaeology theme. More information on our program and competitions is enclosed in this leader's guide.

The Camporee also offers a unique opportunity for Arrow of Light (Webelos II) Cub Scouts to participate in a Boy Scout camping event. Troops are encouraged to invite AOL Cub Scouts in their area to the Camporee to camp with them, participate in the events and observe Scouts BSA troops in action. Cub Scouts will have the opportunity to participate in all events. Scouts unable to camp overnight are still encouraged to participate in Saturday's program.

We intend to offer a truly unique experience for all Scouts taking advantage of this program opportunity. Come enjoy the Camporee and be prepared for an unforgettable time. We look forward to seeing you at the 2020 Coweta District Fall Camporee!

Yours in Scouting,

*Josiah Jorek*

## *2020 Coweta District Fall Camporee*

- D. **CHECK-IN PROCEDURES:** Check-in on Friday will be from 5:00 PM to 7:00 PM. For Saturday arrivals, please check the Camporee Program Schedule and, if possible, arrive before the program day starts. At check-in, each unit should be prepared to present the following:
1. Final Unit Roster: Your Final Unit Roster will be used assigning Patrols for the event schedule.
  2. Complete BSA Health and Medical Record Forms and proof of insurance for each person listed on the roster. Arrange the forms in alphabetical order (last name). Every participant (youth or adult) must have a medical record form on file in order to participate in the event.
  3. Registration Information and Fees Recorded. The registrar will have information on registrations and fees paid. If you are late to register, please bring your receipt/proof of payment, or a check (or cash) to cover fees.
- E. **CHECK-OUT PROCEDURES:** Follow the Outdoor Code in preparing your site for check-out. If you brought it to Camporee, you will need to haul it out...including trash. This is a remote site, so general trash collection service will not be provided by Camporee Staff. Prior to departure, your Unit Leader should go to the Camporee HQ Check-Out Area to pick up their program souvenir envelope containing patches. Please pick up this envelope before leaving. All units need to be checked out by 11AM on Sunday.
- SATURDAY CHECK-OUT:** For Troops requiring a check out on Saturday, these troops should specify their anticipated check-out time on their Final Unit Roster. Except for emergencies, no unit will be allowed to check-out after dark in the interest of the safety of all participants.
- F. **PARKING VEHICLES AND UNLOADING EQUIPMENT:** Please park vehicles at the edge of the tree line across the road from the parade field. Cars in the driveway area of the blockhouse will become blocked and should not expect to leave between 9AM - 4:30PM or possibly later on Saturday. While each Troop may have one trailer in their campsite, no vehicles will be allowed to remain in the campsite after loading/unloading.
- G. **FIRST AID:** Emergency medical services will be provided during the Camporee from the Camporee HQ area (exact location TBD. Look for signs.). They are available for all major first aid needs. Each Unit should also have a good first aid kit in their campsite to handle any minor first aid occurrences.

## *2020 Coweta District Fall Camporee*

H. **CAMPSITES & WORK PARTY:** During Friday check-in, staff at the block house will direct units to a campsite area which should accommodate the unit's size. Troops which have a permanent home site should use them. Other campsite selection is on a first come, first serve for all other troops. Units interested in participating in the work party should report to Camp Jim Stephens on Saturday, March 13 at 8:00AM. Work will end at 12:00pm or until finished. Units must work a minimum of 2.5 hours to qualify for five (5) bonus points of extra credit on their campsite inspection.

I. **ASSEMBLIES / VESPERS PROTOCOL:** When reporting to the parade field for events and vespers, please observe the following protocol

- Muster units at the parade field promptly in a semi-circle formation around the flagpole.
- Report to the parade field in formation, singing a unit song or patrol yell.
- Display unit and patrol colors while in formation.
- When roll call is taken, SPL or acting SPL of each unit respond accordingly. If you do not know proper protocol for answering "roll call," we will review at cracker barrel.
- SM - please encourage your Chaplain Aides to participate in the Vespers Service on Sunday. You will receive more information regarding Chaplain Aide participation before the Camporee or at the cracker barrel

J. **UNIFORMS OF THE DAY:** Class A uniforms are required at the following events. If headgear is worn it must be scout related:

- Flag raising and lowering assemblies (except Saturday Flag Raising, see below)
- Saturday Campfire
- Sunday Vespers service

Class B uniforms should be worn during all other Camporee events and Saturday Flag Raising ONLY.

## *2020 Coweta District Fall Camporee*

- K. **COOKING & FIRES:** Any changes to the Fire Restrictions will be announced when checking-in.
1. Wood fires in fire circles are allowed.
    - Units should plan to supply their own wood for campfires. Dead wood may be removed from the ground on the premises.
    - Make sure fire rings are of adequate size to completely contain your campsite fire.
    - Do not build a fire larger than what is reasonable needed for cooking at your campsite
  2. Safety:
    - When using stoves or fires, follow BSA procedures for supervision of young people.
    - Build campfires well away from tents, tarps or overhanging brush/trees.
    - Keep wood and other fuel sources away from fire.
    - Have a bucket filled with water or dirt, and a shovel in close proximity to your fire ring.
    - Never leave a fire unattended.
    - Thoroughly extinguish all fires.
- L. **WATER:** Potable water will be provided via a water truck located at the main campsite sufficient for consumption and cooking/cleaning to cover your entire stay. Bring your own containers to transport water.
- M. **TRASH:** This is a low impact event. Everything brought in must be packed out, including trash, garbage, etc. Do not put any of these into the campground's trash/garbage containers or leave trash at the site. NOTE: Trash may NOT be burned in lieu of carrying it out.
- N. **PORTABLE TOILETS:** Portable toilets will be located near campsites and activity areas. Please remind your scouts to be courteous, keep the toilets clean, and observe posted restrictions for "Adult Leaders" and "Staff Only." Please advise staff when additional toilet paper or other service is required. Do not dig latrines.

## *2020 Coweta District Fall Camporee*

### O. **HEALTH & SAFETY REMINDERS:**

1. BSA policy prohibits passengers in beds of pickup trucks, whether or not pickup bed is covered.
2. Drivers please maintain safe speed and drive cautiously on camp property, watching out for adults and youth. The speed limit for camp is 15 miles per hour.
3. Follow manufacturer's safe storage instructions when using liquid or propane fuel for cooking or illumination.
4. Keep an appropriate fire extinguisher rated for flammable liquids accessible in your campsite.
5. **NO FLAMES IN TENTS!**
6. Units should take care of minor injuries if possible. A Red Cross certified individual will be on staff in case of emergency. If medical attention is needed, have authorization forms for medical care/treatment readily available.

P. **QUIET TIME:** All lights and fires are to be extinguished by 10:30 pm. As a courtesy to others, please do not disturb other peoples' peace and quiet at any time and observe **QUIET TIME** from 10:30 pm to 6:30 am. In order to enhance everyone's experience, generators are not permitted at any time.

Q. **MEALS:** Troops should plan on preparing their own meals while at camp.

R. **BLUE CARDS:** Troops planning on participating in the Wilderness Survival Merit Badge activities must bring a sufficient supply of Blue Cards for each Scout in their unit.

### Special Requests:

If there are participants in your unit that require special accommodations, please notify Frank Harper **as soon as possible** so the necessary arrangements can be made.

## *2020 Coweta District Fall Camporee*

1. Tell what archaeology is and explain to your counselor how it differs or relates to other fields of study such as anthropology, geology, paleontology, and history. Explain how archaeology is different than artifact collecting or treasure hunting.
2. Describe each of the following steps of the archaeological process: site location, development of background research and a research design, site survey and fieldwork, artifact identification and examination, interpretation, preservation, and information sharing.
3. Describe at least two ways in which archaeologists determine the age of sites, structures, or artifacts. Explain what absolute dating and relative dating are.
4. Learn about a combined total of five archaeological sites located both within and outside the United States.
  - a. For EACH site you research, point it out on a map and explain how it was discovered. Describe some of the information about the past that has been found at each site. Explain how the information gained from the study of these sites answers questions that archaeologists are asking and how the information may be important to modern people. Compare the relative ages of the sites you research.
  - b. Choose ONE of the sites you picked and give a short presentation about your findings to a Cub Scout pack, your Scout troop, your school class, or another group.
5. Do the following:
  - a. Learn about the federal laws and international conventions that protect archaeological sites. Find out if your state, county, or local government has regulations that apply to archaeological or historic sites.
  - b. Identify a national, international, or local organization that helps to protect archaeological sites.
6. Do the following:
  - a. Explain why it is important to protect archaeological sites.
  - b. Explain what people should do if they think they have found an artifact.
  - c. Describe the ways in which you can be a protector of the past.
7. Do ONE of the following and discuss your findings with your counselor:
  - a. Visit a museum to observe how artifacts aid in conveying history.
  - b. Present to your counselor a significant family artifact/heirloom and discuss its history.
  - c. Make a list of the trash your family throws out during one week. Discuss with your counselor what archaeologists might learn about you and your family if they found your trash a thousand years from now.
8. Do either A or B of the following:

## ***2020 Coweta District Fall Camporee***

- a. With your parent's and counselor's permission, assist a qualified archaeologist for at least eight hours with a project being worked on. Projects may include surveying, site monitoring, site stabilization, excavation, laboratory analysis, use of digital archaeological technology, or public outreach. Describe your involvement in the project, what you learned about archaeology, and the steps of archaeological inquiry.

Note: Visiting an archaeological site will require advance planning. An archaeological site during study can be a dangerous place. While there, you will need to closely follow the archaeologist's directions and comply with all the safety procedures. Be aware of the changing conditions at the site.

- b. With your counselor's approval, take part in a simulated archaeological project designed by a qualified archaeologist. The project must include the use of a simulated archaeological site including artifacts and features for the site. Using the steps of archaeological inquiry, analyze the "artifacts and features" and document the spatial relationships of the "artifacts and features" at the simulated site. Explain how the environment and time can affect the interpretation of an artifact and the overall archaeological site. Tell how you would share the results of your analysis with other researchers and the public

Note: To find out how to make a simulated archaeological site, talk with a professional archaeologist, trained vocational archaeologist, museum school instructor, junior high or high school science teacher, advisor from a local archaeology society, or other qualified instructor.

9. Under the supervision of a qualified archaeologist or instructor, do ONE of the following:
  - a. Help prepare an archaeological exhibit for display in a museum, visitor center, school, or other public area.
  - b. Use the methods of experimental archaeology to re-create an item or to practice a skill from the past. Write a brief report explaining the experiment and its results.
10. Research a group of people who lived in your area more than 100 years ago. Find out about their ways of life, including housing, clothing, arts and crafts, tools, trade and markets, rituals and religions, and diets, and their relationships with other groups of people in the area. Describe what you would expect to find at an archaeological site where these people lived. Explain how these people influenced your current community.

Identify three career opportunities in archaeology. Pick one and explain how to prepare for such a career. Discuss with your counselor what education and training are required, and explain why this profession might interest you.
