

Please join us in welcoming Jackson Masters to the Flint River Council team as the new Fayette District Executive!

Jackson was born and raised in McDonough, GA. Jackson attended Union Grove High School and graduated from Georgia College and State University with a degree in history.

Jackson has a younger brother, father and mother who all currently reside in McDonough. Outside of work, Jackson loves to read, run, and spend time with his friends and girlfriend as often as possible. Jackson has also been writing a novel that he would love to publish someday.

Jackson is very excited to serve the Fayette District in the Flint River Council Boy Scouts of America and looks forward to making a difference the best he can.
