

Boy Scout-Safe Scout Challenge Requirements

1. All leaders have current Youth Protection Training*
2. At least one adult on every outing has current Weather Awareness Training*
3. When activities are in or on the water, leaders have current Safe Swim Defense* and/or Safety Afloat* training, whichever is appropriate for the activity.
4. On hiking activities, the accompanying adults have current Trek Safely Training*
5. Adults providing transportation have signed a Save Drive Pledge.
6. A well-stocked Unit First Aid Kit is taken on all outings.
7. At least one leader on all outings has a cell phone or radio that has functional service in the area where any outing will take place.
8. At least 50% of Scouts have earned the First Aid Merit Badge.
9. All Scouts know their full name, address and phone number and how to summon help in case of an emergency.
10. Scouts assist in performing an annual safety review of the place in which they meet, including areas where exits are located and what they should do in case of fire.
11. Leaders have access to the current Guide to Safe Scouting and review proper safety guidelines for activities the Troop will engage in.

*(You will have to set up an account to take this training at www.myscouting.org)
