Take credit for the hard work your Scouts do year-round

Good Turn for America focuses on three areas of service: food, shelter and healthy living. Login at <https://scoutnet.scouting.org/gtfa/ui/security/login.aspx> and report your service projects. You will be asked to enter the type of service project conducted, the number of members and non-members involve in the project, and who/what organization benefited from your unit's efforts. This will help us tell the story of what your Scouts are doing for our community. Units reporting their service project will be allowed to purchase a Good Turn for America patch.
