

The Southern Region Jamboree Committee has developed a special incentive directly for you, our existing staff members.

If you are receiving this email it means that you are from the Southern Region and are somewhere along the path of being registered as a Jamboree staff member.

There are hundreds of job titles at the Jamboree and this incentive applies to every one of them. To qualify, you have to be registered for Jamboree Staff as of today, and you recruit another Southern Region Staff member who registers, gets a job offer, and accepts it. You merely identify your name and Staff position, the person who is recruited, and their position. We will distribute patches both before the Jamboree, or if you come to Base Camp Delta and supply the same information at the Jamboree.

Below is the list of high level job descriptions, and attached is a flyer to contact information for those with more questions. And of course there is a huge amount of information at <http://www.summitbsa.org/events/jamboree/volunteers/>

And for all of us, let's continue to recruit more scouts. This is that mountain top experience for scouting. Let's be sure every scout and his parent has a change to consider this opportunity. Ventures and Explorers too.

And if your contacts are thinking that they will just go to the World Jamboree in two more years, remind them that the US will have only a very few slots for both youth and staff; so everyone want to go to that will not have that opportunity.

Thanks for you involvement in Scouting and the Jamboree. Let's get more staff and more participants... james

List of 263 Staff Opportunities at the Jamboree 2017:

9515 Administration - Accounting T 9515
9100 Administration - Banking Support Staff T 9100
